# Cindyana Santangelo, star of ER and CSI Miami, dies at 58 in Malibu after medical emergency

March 25, 2025

Actress Cindiyana Santangelo, once hailed as the 'Latin Marilyn Monroe,' has tragically **died at 58**. The star was discovered **unresponsive** in her Malibu [CA] home on Monday. Despite efforts by first responders who dashed to the scene following a **medical emergency** call, Santangelo was **pronounced dead** after being transported to the hospital. The statement read: "On Monday, March 24<sup>th</sup>, at approximately 7:15 PM, Los Angeles County Fire Department personnel responded to a **medical emergency** call on Westla Boulevard, in Malibu. Paramedics transported a female adult to an area hospital where she was later **pronounced dead**. **The cause of death is undetermined, and an autopsy pending**. This investigation is ongoing, and there is no additional information available at this time." While authorities have found no signs of foul play, they await the results of **autopsy** before drawing any conclusions. Reports from TMZ suggest that Santangelo had recently undergone cosmetic injections at her residence.

**13 police officers "died suddenly":**

**Tragedy rocks Texas sheriff's office after four deputies die by suicide in six weeks: 'It caught a lot of us by surprise'**

March 25, 2025

Christina Kohler

A Texas police department has been left in **shock** after **four** of its deputies **died** by **sui** within the span of **six weeks**. The **death** of Deputy Christina Kohler was announced by Harris County Sheriff's Office (HCSO) last week. The **37-year-old** law enforcement officer had joined the force in 2018 and served in the courts division. Kohler was reported **missing** two weeks ago and her **body** was discovered on March 13, officials said. **Three former deputies have also died by suicide within the past six weeks**. The president of the Harris County Deputies Organization, Jose Lopez, said that he and his fellow officers are currently processing the situation. "**It caught a lot of us by surprise**," Lopez said, The Mirror reported. "One is too many. Two? Three? Yes, it's definitely **devastating**." Houston Police Officers' Union president, Douglas Griffith, told the outlet that **suicide** risks are 10 percent higher for those in law enforcement. Three days after Kohler was found, it was also announced that former Harris County deputy Maria Vasquez, who left the department in December, also **died by suicide**. Earlier last week, another former deputy William Bozeman, was **found dead** under similar circumstances. Former deputy Long Nguyen, **58**, also took his own life on February 6, according to the medical examiner.

## The body of missing LAFD firefighter Connor J. Lees has been found

March 30, 2025

Long Beach, CA - The **body** of Los Angeles Fire Department firefighter Connor J. Lee has been found nearly four months after the **29-year-old went missing** during a recreational **dive**, the LAFD has announced. The off-duty firefighter was part of a group of four men in their 20s who had set out that evening to free dive, which involves swimming underwater without breathing apparatus or scuba tanks. Lee was one of the divers who plunged into the water while the fourth man drove the boat, the Long Beach fire department said at the time. When only two of the men resurfaced, the group called 911. Rescue divers from the Long Beach and L.A. city and county fire departments and personnel from the U.S. Coast Guard, Long Beach Police and Los Angeles Port Police embarked on a search immediately. Two days later, emergency personnel announced the search and rescue effort had become a recovery mission, based on water conditions and the low likelihood that the diver had survived.

My sister and her husband are sick with uncontrolled blood pressure (too high, too low) headache, unrelenting dry cough, and brother in-law skin is bright red, everywhere. Both tested positive Covid today. Good thing they are both fully vaccinated and up to date on their boosters. Comr welcome.
